

Sermon: The Gait is Narrow, the Way is Hard Sermon Scripture: Matthew 7:13-14
Theme - You can't follow Jesus and the World

1. Have you ever stood up against something that was wrong, and were surprised to find that others reviled you for doing that?
2. What do you think of the fact that Jesus teaches there are only two "ways" to choose from in this life? Would the culture around us agree?
3. How often do you consider that Satan hates the way of Jesus? Does that change how you walk with Jesus (being watchful, prayerful, etc.)?
4. What are things in your life that tempt you to forsake the narrow road? What are things you can do to rid your life of those temptations?
