Sermon: **Ask, Seek, Knock** Sermon Scripture: Matthew 7:7-11

Theme - Prayer requires seeing God as Father

1. Do you view God's standards for living in the Kingdom as a burden?
2. What would it look like to pray in a way that "Asks, Seeks and Knocks"? What would have to change in your prayer life for this to happen?
3. What comes into your mind when you first think of God? Why is that the case?
4. Which standards of living in the Kingdom do you need to grow in right now (generosity, forgiveness, etc)? Do you believe God can grow that in you if you ask?
