Title of Sermon: Jesus has nowhere to lay His Head.

Matthew 8: 18 - 22

1. Have you ever engaged in something with certain expectations that you quickly realized were not accurate? What was it? How did it make you feel?
2. What do we expect will happen in our life when we follow Jesus? Where did those expectations come from?
3. Why do you think Jesus calls us to a simple life of following Him, regardless of the benefits we receive in this life? What are the benefits of following Him?
4. What is one thing you can do this week to detach from the world, and say yes to following Jesus? What would that look like?
